PRESENTING SPONSORS

# PROJECT ACTION PLAN

**1** Form a team (more than 2 students) and find a teacher sponsor to register your team before November 30.

Possible teacher sponsor:

---

BC Green Games project(s):

---

---

---

---

**2** Choose a project appropriate to the goals of the BC Green Games. Your project may be about things like water, global warming, energy, caring for the environment, transportation, recycling, etc.

...now set 2-3 **SMART** goals for your BC Green Games project:

**SPECIFIC** Is the goal detailed enough that someone who isn't part of your team would know what needs to be done and how? Who, what, where, when, why and how?

**MEASURABLE** Is there a clear way to measure success? How will you know if you've reached your goal?

**ACTIONABLE** Is there a clear series of steps to take in order to accomplish your goal?

**REALISTIC** Is it possible to reach this goal considering the resources available to your team?

**TIMELY** When will the goal be accomplished?

*Example: Our team will discover whether it is possible to eat local by spending a day looking for fruits and vegetables from the forest and using them to prepare a nutritious meal.*

Assign roles and responsibilities to all team members. Each team member must understand his/ her responsibilities to ensure that everything from planning activities to painting posters or organizing the website submission is accomplished. Clear roles and responsibilities make a more efficient and effective team! *(For more information, download the official BC Green Games Rules and Regulations)*
